Subject: Seatrade // Streamlines - Dutch Caribbean Service Extension

Willemstad September 01, 2014.

Dear Seatrade // Streamlines relation,

On behalf of our principal Seatrade / Streamlines, we proudly announce the extension of our Dutch Caribbean Service, which will now serve on an enhanced coverage of ports in Europe, the Caribbean and South America.

As from September 16th, we will offer a direct call on

Hamburg – Germany / Rio Haina - Dominican Republic / Guayaquil - Ecuador

The enhanced service will have the following rotation

Dover - Hamburg - Rotterdam - Rio Haina - Willemstad - Oranjestad -
Puerto Bolivar - Guayaquil - Paita

We would like to emphasize the direct, weekly service from the Dominican Republic. A much more reliable and faster option for your cargoes such as foam/paper/plastic products, juice, milk, fresh fruit and vegetables. The transit-time from Rio Haina to the ABC Islands will be approximately 2 days.

Please do not hesitate to contact our Liner Department for more details and feel free to ask for our competitive rates.

Yours sincerely,
